VELAS DE HORMIGÓN

El edificio se divide en dos partes. La primera compuesta por la estructura, con gigantes velas de hormigón armado cubiertas de arena natural, recordando el aspecto mineral de la tierra. La segunda identidad se compone de tres estructuras (restaurante, biblioteca y auditorio).

CONCRETE SAILS

The building is divided into two parts. The first consists of the structure, made of giant reinforced concrete sails covered by natural sandstone, recalling the mineral aspect of earth. The second entity is composed of three structures (restaurant, library and auditorium).
